Special Rates and Charges

Waste Management Special Charge

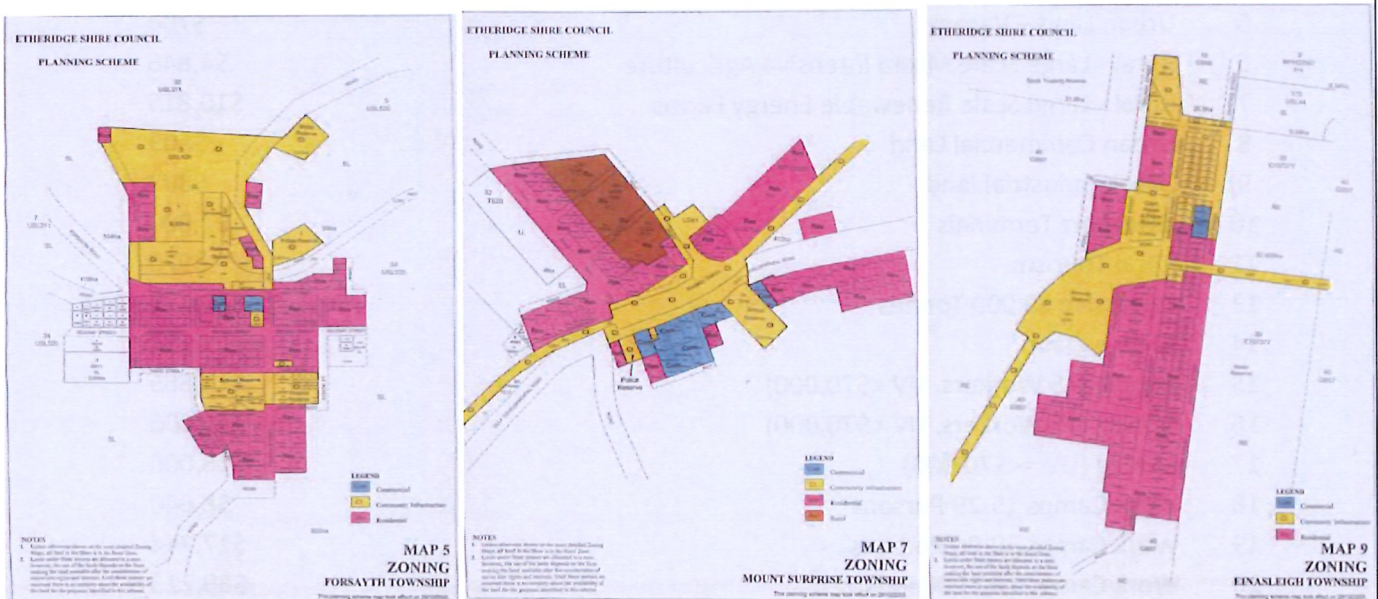

RESOLUTION

That Council:

Pursuant to section 94 of the Local Government Act 2009 and section 94 of the Local Government Regulation 2012, Council make and levy a special charge (to be known as the “Waste Management Special Charge”) of \$194.38, on all rateable land to which the overall plan applies, to fund the provision of maintenance and operations of all waste management facilities for the towns of Einasleigh, Mt Surprise and Forsyth.

The overall plan for the services, facilities and activities in respect of which the special charge is made and levied shall be identified as follows:

- The rateable land to which the special charge applies is land within each of the benefited areas described in the town area maps ‘Planning Maps – Einasleigh, Mt Surprise and Forsyth. Where a parcel of rateable land includes two or more lots, the charge will be levied on each lot.

- The service facility or activity for which the special charge is made is for the provision of maintenance and operations of all waste management facilities for the towns of Einasleigh, Mt Surprise and Forsyth. The Special Charge will substantially fund the activity, however Council may determine to subsidise the service in view of the high costs of this service provision and the undue hardship that may result if full cost recovery was sought from the special charge.
