

Outback Child and Family

Outreach Community Playgroup at Georgetown Sports Complex on ground level

Hello Families

Hello Families!

Barb and Kathleen are doing a playgroup at the sports complex in Georgetown Wednesday 15th February 2023

Bring along your friends and families you know that are new in the district to become part of the RAFS family.

Child/Children need a hat/sunscreen and shoes and an individual water bottle and of course lots of energy.

Parents as a reminder your visibility to the children is imperative as we don't have sole responsibility of the children.

Parents and Carers if there is something your child/children loves to do please let NQ RAFS know so its in our vehicle when we come to play.

Non-sharing of foods: Families need to bring their own individual morning tea and drinks.

Signing-in: as usual in a playgroup as we need your contact details

Toys and Equipment:

If your child coughs or sneezes on a toy, we ask parents to wash the toy with provided sanitizer and antibacterial wipes.

Sanitizing your own hands and your children's sets as a role model for good hygiene..
