## Update as at 4.30pm: Planned Closures on the Gulf Development Road

Etheridge Shire Council has received advice from the Department of Transport & Main Roads Cairns Regional Office.

They have advised they are reconsidering how the program will be rolled out. Additionally, engineers will be re-evaluating the possible options to lessen the impact on the travelling public over the period of which the works will be carried out.

Department of Transport and Main Roads have committed to having more information for distribution regarding this matter within 48 hours.

Council will endeavour to keep the public updated as new information becomes available.
