GENERAL BUSINESS

Cr Gallagher - Can the depth marker be replaced on the Delaney crossing? It has now been missing for 12 months.

Cr Barns - Upgrade to the Gregory Development Road. Is council now in a greater position to be able to advocate even stronger for the argument to Department and Government, an upgrade to the Gregory Development road as an alternate highway road route given the total isolation of the half the Etheridge and Gulf Shires due to the Routh Bridge collapse and flooding? Does it give this argument more weight, in addition to being a service access of GENEX power in Kidston? What are ways we can further advocate to strengthen this proposal. The bridge collapse has shown a weak spot in our northern network that HAS to be rectified immediately.

Cr Barns - Can council provide emergency ways and means to ensure that essential road freight/mail/medical supplies and communication service links be maintained? Can these be identified and incorporated in disaster management as a contingency protocol, is it in councils purview?

Cr Barns - Disaster Management Plan/s- Has there been any identified issues arise in the recent period primarily due to flooding? Ie, leadership, process, etc that need to be addressed.

Cr Barns - Airfreight/air service for our towns. Has there been any interest or scope for any commercial service to feel the need to land on our strips?

Cr Barns - Flood monitoring systems. During the wet season period, is there a way to have them take snapshots in shorter time intervals to the periods that are currently observed? This helps affect decisions of those who are intending to make the journeys in the wet.

Cr Barns - Flood markers at Delaney and other Shire crossings. Does council road crews assess their placement and age/condition/suitability of them all before the wet each year?

Cr Royes - Urgent reevaluation of the First Street Forsayth Drainage Contract/Scope
Cr Royes - Issues with Einasleigh Drainage project
Cr Royes - Einasleigh Public facilities maintenance (toilets)
Cr Royes - The Lynd Community Shed - access (usability)
Cr Royes - Daily Road Condition Report - social media (Council)
