All Other Shire Roads					X	Flooding
Etheridge Shire Council attempts to provided up to date information (at the time the schedule was prepared), however acknowledges changes can occur without notice and welcomes additional information from the public. If you notice that the condition of a particular shire road has changed please forward any changes to Council via either email info@etheridge.qld.gov.au or phone on (07) 4079 9090.						
It is advised that motorists proceed with EXTREME CAUTION travelling on all roads during wet weather. Not all roads may have been inspected at the time this condition report was released and conditions are constantly changing. Caution is urged if traversing flooded creek crossings as road surfaces may be damaged, submerged matter may not be clearly visible and underlying currents can be swift. Road shoulders of sealed roads generally become soft and slippery during heavy rain events and movement off the bitumen seal is discouraged.						
Please Note: Etheridge Shire Council road reports only apply to the roads within the Etheridge Shire boundary and not neighbouring shires.						
ROAD REPORTS ARE ISSUED FOR THE SAFETY OF ALL MEMBERS OF THE TRAVELLING PUBLIC AND WE ASK FOR YOUR COOPERATION.
