

# Fees & Charges 2016|2017

Etheridge Shire Council

Budget 2016|2017

## **SCHEDULE OF FEES AND CHARGES**

### **INTRODUCTION:**

All fees and charges included in Council's Schedule of Fees and Charges have been identified as either Regulatory (R) or Commercial (C).

**Regulatory Fees and Charges** includes the statutory legal source of power under which Council has fixed the fee or charge, including the reference applicable under Section 97(2) of the Act.

97(2) Paragraph reference

- (a) an application for, or the issue of, a licence, permit or other authority under a local government act
- (b) recording a change of ownership
- (c) giving information kept under a local government act
- (d) seizing animals under a local government act
- (e) the performance of another responsibility imposed on the local government under the Building Act or the Plumbing and Drainage Act.

The regulatory and commercial fees identified in the Schedule of Fees and Charges have been reviewed by Council.

Etheridge Shire Council requires the payment of fees and charges so that some or all of the cost incurred by it in assessing and processing development applications and for the provision of services is recovered.

This schedule sets out fees and charges in force as at 1<sup>st</sup> July 2016

## **SECTION A – DEVELOPMENT APPLICATIONS/TOWN PLANNING**

### **FEES TO ACCOMPANY APPLICATIONS**

The required fee should accompany any development application. An application that is not accompanied by the required application fee cannot be processed as it is not 'properly made', within the meaning the *Sustainable Planning Act 2009*.

### **FEES AND COSTS – MAJOR DEVELOPMENT**

Council actively supports suitable developments and will work actively with a developer, if he/she wishes, to achieve useful and ecologically sustainable projects.

The fees shown later in this schedule are intended to deal with cases where a developer provides very detailed, complete information either up front or during the 'information request' stage. Some developers may prefer to work with Council to determine standards and practices acceptable to all interested parties before a formal application is lodged. In these cases Council may negotiate a fee sufficient to recover all or some of its costs.

### **REFUND OF APPLICATION FEES**

No refund will be made if an application has been refused. If an acknowledgement notice has been issued but no assessment or evaluation of the matter has been undertaken by Council or its officers, 80% of the application fee will be refunded if it is formally withdrawn. If the matter has been substantially assessed or reports are prepared or the matter is listed on Council's business paper, no refund will be made.

### **CONCESSIONS**

An application fee may be remitted in part if, in the opinion of the Chief Executive Officer, the effort involved with assessment is fairly inconsequential because the proposal is very simple, or because some public benefit will follow approval of the application.
